

Wedding Cake Contract

We are excited you have chosen Bites BK, LLC to be a part of your wedding day! Your wedding cake is one of the most important accessories to your big day and our job is to make it beautiful, unique, delicious, and worry free.

Pricing

Pricing is based on the number of guests along with the level of detail on the cake. Allergens (dairy free, egg free, Paleo) can be addressed and pricing is determined on a case-by-case basis. Cupcakes can also be prepared at \$3.50-upward per serving. Gum paste and fondant flowers can be added to cupcakes, with a charge determined on a case-by-case basis.

Delivery

A delivery and set-up fee will be assessed to all cakes delivered to within the NYC area on a case-by-case basis at time of contract execution. Bites BK, LLC is not responsible for any damages incurred to the cake after delivery and set up is complete.

Deposit

All wedding cakes require a \$100 deposit to reserve your date. This deposit is non-refundable, but will be subtracted from the final amount due. The remaining balance is due 2 weeks prior to your wedding date. We will accept cash, credit or debit cards, but a 2.5% service fee will be added to all card transactions. A 10 % late fee will be assessed if the final payment is received after the 2 week prior deadline.

Cake Consultation

We require wedding cakes to have an initial cake consultation to discuss size, design, flavors and special needs. At this consultation, you will have the opportunity to taste flavor combinations. Each guest is \$15, non-refundable.

Changes to Design and Size

We understand that after our initial meeting, the number of servings needed or the design desired may change. You may make changes in size up to 3 weeks prior to the wedding date. The design can be changed up to 1 month prior to the wedding date. After these points, both the design and size is set.

Inclement Weather/Environmental Emergencies

As long as we have electricity, we will do everything in our power to complete your order as discussed. If we are unable to complete and deliver your cake due to emergencies that are not within our control, we will call you as soon as possible and do everything we can to assist you. In any situations out of our control, all monies paid will be refunded.

If you need to reschedule your date, prior to 2 weeks ahead of the wedding, we will transfer \$100 of the deposit to the new date. If you cancel your order prior to 2 weeks before the wedding date, the deposit **will not** be refunded. If you cancel or reschedule within two weeks of the wedding date, no money will be refunded or transferred.

Materials

For cakes requiring a significant amount of equipment, an equipment deposit is required to cover the cost of any items not returned or damaged during the event. All materials used for assembly and display of your wedding cake must be returned by the Wednesday following the wedding. The cost of any items not returned, or returned damaged, will be deducted from the deposit.

Fresh Flowers

We recommend that you consider adding inexpensive, fresh greenery around the base of your cake. If you are using fresh flowers on your cake, your florist is responsible for providing the flowers and ensuring that they are safe to place on an edible cake. It is important to note that not all flowers are safe to come into contact with food, so please discuss these options with your florist. The florist is responsible for placing the flowers on the cake.
